Blockton, Iowa,

6/9th 1898.

J. H. Adair Esq
Redding Ia.

Dear Sir.

In reply to your favor of 8th will say,
our very best 3 way Wind Mill head Pump is
worth \$12.50. 1 1/4 Galv Pipe and 3/8 or 7/16 Galvanized
steel rod fitted, worth 10¢ per foot. and
we will do all the work putting in and
guarantee same to be strictly first class
12.50 price for head also includes solid brass cylinder
can furnish cheaper head. down to \$8⁰⁰¢
hope we may be favored with your order.

Yours Truly
Danford & Mills
