Dear Dot,

Just a note - mainly to say that I told Fil Turner that Jean was engaged. I guess he was rather surprised but didn't say much at the time.

After he had recovered from the shock he came down & asked me if you knew Jean very well. I said yes, you were very good friends, etc. Also boasted to know if I knew who she was engaged to. I said probably some cadet & that was all - so you can tell Jean this so she can tell him the same story if he should ask.

Lovely day outside today - only wish I could be out & really enjoy it. In at work right now with a few extra minutes.

In going to Oak Park after
work & get shampoo, brillantant
for my hair (I got permanent) & stuff.

Guess I got my hair shortened
considerably but is still long enough.
The girls there like it ok. but
liked it better long - anyway
Louta is satisfied for awhile.
Takes quite awhile to comb it
in the morning - just
little curls all around my
head & are they ever tight.

For Easter I think
I shall just get new
accessories & have my
suit cleaned. - shoes, hat,
pretty blouse, gloves & purse,
but I don't know what
color to get. Any suggestions?

Guess I'll close now
& mail it this pm.

Love
Marge.
