Dear Dorothy,

This is really a surprise to you. I have a million things to do all of the time and never do any writing. I think of you just the same.

Seems you keeps the new pretty busy looking after you.

I guess you heard about the way I started the the new year out. I think I have finally gotten rid of everything.

No fun to work when you don't feel like it.

Well all I do is go to work and come home. Not much news to that.

Oh yes, we are moving the 15th of this month. Our last week here and are we happy about it. We have two rooms and one is rather small. Is on the 1st floor. Have a nice large closet, pantry and a stove with

oven and a sink with a drain. We
may not know how to act. Have two
roll away beds.

I have not heard from Ray for almost
six weeks so that of course upsets
me quite a bit.

Jim still Camps on the premises. Doubt
tell my one but I wish he would hurry
up and get in the Army.

We were over to Dewey for dinner yes-
terday. Naomi Henderson came in the
afternoon. John left Ft. Sheridan and went
to Wisconsin Sunday night where they
will learn to ski. Sounds like they
might be getting ready to go were it
is cold. She is still working but
doesn't know what she is going to
do.

Saturday night Jim and Margaret
asked me to go down to the trap
with them to a movie. Went to
visit artists and saw "Random

"Harvest" with Greer Ganson and Donald
Coleman. It was really a great sham and
enjoyed it a lot. Sunday we went to S.S.
Church. Over to see what is our future
home and over to Dewey for dinner.
League in the evening and then a sing-
spiration at the church. Really a full
day. On top of all that I got up at 8:00 A.M.
and worked for an hour. I am really
tired tonight. I hate to think of moving
all of this junk. You can think of me
with a lamp in one hand, radio
in another. Wish you were here to
help.

I forgot to tell you where we are going.
