Friday noon

Dear Dorothy - Dad had to confess he carried your letter around so long - said he'd have to see that you don't tell on him again!

Warm again but cloudy + a bit of snow this morning.

The girls won their game from Delphos last night 23-16 so they play Tingley tonight. Kellerton lost out last night so Redding won't play them till sectional two weeks from last night. Alice said Besconfield still holds a grudge against them for beating them in the Consolation two years ago - they may have to play for the trophy this year - as Besconfield beat Kellerton. Ellston drew a bugle I think.

Dad hasn't got the water pump yet for the La Salle but if he gets a little more worked up he may take the Chevie tonight. He will have to go to Clearfield!

I'll send Margaret's last letter.

We went over to Luygren's Wed night for a birthday surprise on Helen-Bruce's. Jim's, Chucks, Rois, Jamiesons. Played Rook and got home at 2 o'clock and too worn out to do anything yesterday.

Dad is going over to Jamiesons to see about buying a calf + I'm going over to Pearl's - haven't been over for ages.

Grandma is getting ready for company dinner tomorrow - Rois, Larisons - Angie + kids + us - won't we have fun!?

I have 3 blocks of Sunbonnet Girl quilt done - got yellow for lining - Auntie Pearl says it's for the first of you girls to need it - so I'm warning you all that it will take me a long time

to finish it!

Will Harris went to Creighton Hospital Tuesday for examination. He won't eat & is very anemic.

Don't try to do that extra work - it doesn't make enough difference to pay for the energy it takes. Once in awhile won't hurt but for several days together it's too much.

Have you seen Schweyhart's or however it's spelled?

Alice doesn't propose to write to any Mt. Cyr boy! - so I sent Port. Catterson's picture back to Margaret. He wrote again & I'll send it to you.

Ed's ready to go & I'll see that this gets to P.O.

Love Mom.
