BEAUTIFUL CONNECTICUT

Dear Alice, Ralph, Helen, Flip,

Diane + I came down to N.Y.C. yesterday to have a brief vacation - will go back tonight. Diane + I'll do a bit of nosing around this morning + meet Marie at school later for a few hours shopping + then home.

Have a lot planned for this week's vacation

This was started a year ago during spring vacation when Diane + I spent a weekend in N.Y.

It seems Marie wanted us to meet a fellow named Charles Potter who was leaving for Calif. West Credit Co so Diane + I did. And so we started to hear a lot about Chuck.

He's back in Oakland now. arrived from Texas last weekend + has found an apt. He'll probably drive out for Marie's graduation May 22nd + 23rd. Then

hook on a trailer & leave the 24th
for Calif. So far away!

Diana is sitting here trying to
write on Amnesty. She's debating the
pros tomorrow - Mom's learning
a bit too of course -

Our school is out the 27th of
June (28th for teachers) Guess it
will be a short summer -

No plans yet. Would
Helen like to come out? Then
you two could follow later &
do a bit of camping in
the northeast - (God permitting)
and vacation with us -

I'd like a good recipe
for pep - can't find much. fall
asleep like my Adair ever did.

We bought a book "Adair's
History of the American Indians" -

was watching Milwaukee - Boston game -
looks packed - - are you there?

A reprint of James Addison's book.
of 1778 or so - B16. Doubt if I'll ever
get through it but plan on sending
it to Mom. Ought to look good
somewhere - It does have a history
of James Addison & his background -

School is a drag this year -

Kids are difficult but really talented.
Wish the two didn't go together = I know
all talented kids aren't difficult but 4 of
there are ~~not~~ - we need more psych examiners

Guess I'll mail this before another
year goes by
Love to all from
all of us
Dad

The refreshing beauty of gentle waving trees, delicate golden flowers in fields, and the whispering rush of water reminds one of summertime in wonderful Connecticut. This picturesque countryside scene offers a glimpse of the enchanting scenic splendor found throughout the beautiful state of Connecticut.
