Thursday evening

To my dear Mary.

This is another rainy day. It has rained almost all day.

I got home all R.R.

There was a car over to Stockton from Redding so I got to ride home and got to bed at 4 oclock that wasn't bad for the distance I came from.

I suppose Dewey took
you home.

I sure enjoyed the
stay in Des Moine With
You My Dear and with
Dewey, I expect to spend
Thanksgiving in Des Moine.

I suppose Mary Jane
is at Your House and
You will find out about
her plans.

I hope they will get married in June don't you so we can start out in married life together

Papa dont know what he is going to do when we take ~~possession~~ of the farm

I will be glad When you will be with me all the time it will make life more ~~pleasant~~ for both of us.

From Yours dear Earl
