

Thurs. Evening

My dear Mary:-

Mary you are
certainly a dear to write
a letter like the one I got
to day.

I have got caught up
with my sleep so I can
get out and do fairly good
work but the first was
pretty tough on me.

Redding had a fire
Tuesday night it burned

the garage, Clint Smith store
and the Millinery shop.

Redding will look a burnt
town after awhile if it keeps on
having fires.

Harry Main is going to
start the New Year with
happiness, He Was Married today.

There is no such thing as
too much love, Life will never
be happy without love.

Many My dear we will
keep right on loving each
other as we go down through
life.

I hope Marian got to take
in lot of the sights in Chicago

and got back to Galesburg
all right

I think she will be a
mighty nice Cousin ~~Ha~~ ~~Ha~~
she will half to come down and
make us a visit won't she.

Mary my dear I didn't even
miss my Box of candy. I guess I
wasn't candy hungry why should
I be to have all that I could eat
and more to. I never had time
~~even~~ to get hungry because there
was always something to eat.

I am just getting so now
that I can eat a pretty good
meal again.

Bye Bye my dear. I
would be glad to be
with you my dear. I
don't know when I will
get up and see you.

yours With Love

My dear.
