

Monday Evening

My dear Mary.

Mary my dear I know you have been expecting a letter before you get this one, my dear I have thought of you every minute of the day and the last thing at night, Mary my dear how I love you

Mary my dear If Marian can not get there on the 6th

WE can put it of a few days in that case, my dear we would be just as happy wouldn't we dearie.

a few day wouldn't make
much difference about the farm
work, For one don't know what
he will be doing right at that time.

Pearl Hering got word that
her mother was ~~very~~ sick to come
at once, So her and papa went
down there to night.

So that leave Sam and I
to run the ranch till he get
back, he asked us if we thought
we could run it, I told him
how do you expect us to run it
when you turn it over to us.

I think we can run it when
you get down here with me cant
we clear, Everything will go along
so much nicer.

Anna and Howard are certainly
having a time, I don't blame him
much for I think Anna would
be pretty hard to get along together.
I would write to Anna and tell
her something

Mary dear I was think about
coming up Saturday but I don't
know if papa will get back or
not I expect he will.

dearie will you be very busy
next Sunday Mary I don't know
yet if I can come or not but
if papa get back and you are
not so busy it is quite likely that
I will be there.

yes my dear you have written
enough, If I could could do
one half as good, I would be doing
better than I have been a doing.

Redding is about the same old
town I guess, I think there is a
show in town tonight but what
do I care about a show in this town

Good night my dear with all
the love I have.
