

Thurs evening.

To My Dear Mary,

I recd your kind
and welcome letter yesterday

Every thing is coming
allright, but he has been
a little chillie the last few
day.

They had a party on cash
Baird he is going to
cal. He left this morning.

I don't seem to care to
go anywhere that I can
enjoy myself but to the main
there isn't any body in
Redding that I care for
as much as I do you my
dear Mary.

I don't know if they
will have school any more
or not for there was four
of the teachers danced the
other night. I don't think
they will say anything
about it.

Sam has got two more
day of carving the mast
and he will be through
it seem like it has
been a month to me.

Mary dear I am glad
arthur got home alright
and made it so good on
his trip.

Friday afternoon

I recd your kind letter this
afternoon.

It snowed here last night.

There was a lady called Sam
up and asked him why he

didn't bring here a letter from
her man in Kansas city
I guess he is like me don't
write very often

I would be glad to meet
Hazel Burdick.

I am sure glad that you
promised your love to me
for both of our love together
we can live a happy life
together, with out love there
would not be any thing
to life.

Sure my dear you can go
to the wrestling match with
me.

Mary dear I will take you
with me any where that you
won't to go.

Mary dear it is getting
about train time so will
bring this to a close.

Papa sold ten head of
his cattle the other day
I guess he will gett all of his
Cattle sold off in time so we
can take thing over in our
hands allright

Bye Bye My dear
