

Sat. Evening

My dear Mary:-

It has been
pretty cold the last two
days, I hope it will
turn warmer pretty soon.

We got through shucking
corn yesterday so we
have got that job done
with till we raise some
more corn.

I wish Bess all the
good luck I can while
she is at the Hospital.

That will be much
nicer when they get moved
it won't be so far to
walk to catch a car.

I wouldn't know the
first thing about moving
for I have been on this
one place for about
twenty five years and I
guess we will have here

a few years longer won't
we dearie.

I haven't got any Valentine
little piggies but I am
looking for some pretty soon.

-I was offered 14 cents for
my hogs the other day
but I didn't sell them.

Goodnight my dear Sweetheart

Earl.
