

April 14. 1920

My dear Mary:-

This has been a pretty nice day.

We began to sow oats again today. If it stay dry for awhile we will make a showing in the work before it has to be done before a certain time.

My dear I recd your kind letter this morning I only wish that I could write one as good to you. in return but my dear I love you just the same.

Tato is down here I
don't know when he is going
back, I would like to have
them to come out some
night when I was up
for I think they are a nice couple.

My dear I don't know
if I can get up Sat.
afternoon or not I don't
know what we will be
doing but will try and
come if I can for I
won't make many more
trips to A.M. to see my dear
sweetheart.

Ever thing is going fine
and keep on if it just stay dry
for a while.

Sam has gone to town
to a play, I stayed at
home and writing to my
dear Sweetheart; If it
was not for you my dear
I don't know what I would
do in the wide world
without you.

Goodnight my darling dear
with lot of love and kisses
always yours.
