Dear Mary.
Talk about
Raining I guess it did
rain down here.

The branches are all
bank full
I don't know if I
can get home or not.

I had just as
might as well stay
in A.M. for I don't
think it will do to
leave any for 4 or 5
day if it don't rain any
more.

They sure had more
rain down here than
they did in N.M.

My I would like to
stayd but I thought
I ought to get home well
I can paint the floors
and get thing fixed up
ready to work if it ever
get so we can.

I will soon be to
Blackton and I will
see how I like to work
around in the mud.

I guess I knead a
pair of Rubber or
rubber boots I expect it
would be better to have boot-

Bye Bye My Darling
dear.

always Your sweetheart,
C. H. A.
