Sunday Evening

My dear Mary:-

I have been putting of writing till I am ashamed of my self but ike saying better late than never.

My dear we won't half to write very many letters if we would write ever day

I sure will be glad when it is all over and you are with me and I with you all the time how much nicer that would be.

We had company today Uncle George, alta and Pearl was down but I wish it was you instead.

It has been so we could work all week and I sure has put in the time I got in at 8.30 last night I don't mind working late when I have got something to look forward to. We will get the most of it done this week if is just give us a half a chance which I hope it does.

Fred went to Ardmore Friday and got back today I sure would like to went with him.

McElwain Made a flying trip to Des Moine Saturday morning and back this morning.

the first corn that we planted is coming up fine

I sure will be glad when is all planted and off my mind.

When I thought about having it at this time I thought we would have our corn about all planted by this time but we will get through in time any way but wont have time to do the little jobs the need to be done around the house but they only come once a year, the rest of the work can wait a few days

Dewey will get home the 5 of June.

My dear It is bed time
I will try and get up
Saturday — sure miss
you today.

Good Nite my dear
with all my love.

allway Yours XXXX.

E. H. A.

We wont half to put kiss
on paper very much longer. I
always like the real one better
than I do the one on paper.
