

Wed Evening.

my dear Mary:-

This morn has been
a lovely day. We washed today
and I helped don't you wish

We made garden yesterday
planted every difference kind of
seed we had even carrot I
don't know what I would do
with them.

We began to sow oats today
that makes all the oats we
have to sow on our place.

We are going to get some
ground ready to plant some
corn Friday if the weather
will permit.

My dear I see I forgot to
send the sample of the border.

I will start to plow
Friday to see how it go for
a change, it has been so long
since ~~we~~ have worked in the
fields.

I got a letter from Arthur
today saying he had seats
reserved for us, I guess I
will half to come, there is
lot of work that I could do
but I can't get it all done

So I had might as well
quit of Saturday afternoon and
go and see my dear Mary and
that I love so much.

I will be glad when we
get our corn all planted it
will seem like we have got
most of our work done.

Good night my dear Mary
this is a short letter but I am
getting sleepy and perhaps I
will see you Saturday evening
here hoping.

Always yours darling my dear Mary.
