Monday

dear Dorothy & Alice

Aisk

Alice, Dorothy and Alice
You asked your self if
you do not remember
my conversation over the
phone at the bus depot.
I remember telling you
to keep the money for the
phone and get something
for your birthday. I believe
you both have had a
birthday or Alice soon
will so I am sending
this back. ~~and~~ I know it
will be hard to find any-
thing with 50¢. But you both
try and maybe you can find
some little thing that be
useful or come in handy.
Phyllis is making so much
noise on the piano I cannot
think.

It was nice you all got
together on the holidays.
This has been a lovely
day, hope it stays nice.

Study hard and be good
girls and find time to
write Hermetta. He
gets lonesome and likes
to receive letters.

His address is -

Phyllis says she ought
to write you. so her
conscience is at work
maybe you will hear from
her some time.

I must finish my
letter to Hermetta and get
my clothes dampened down

Love

Aunt Germette
