Dear Ralph, Alice, and Helen,

We received your card with the gift of twenty dollars enclosed. Thank you so much!

Married life is great! We've had a wonderful two weeks off from school. We spent Christmas Eve and Christmas day with Ken's family.

We went to George for New Years Eve and New Years day and celebrated Christmas with my family there.

Everyone is doing fine. Grandma Adair gets more confused all the time, but is still quite healthy and gets around well under Grandpa's watchful eye.

Bob and his wife Marlene were there with their bundle of joy Amanda Jo.

She's such a doll! She's just beginning to crawl. She's the apple of everyone's eye, especially her grandma (mom) and her Uncle Jeff.

Classes begin again tomorrow. It's

hard to go back after such a nice time
off. Still am looking forward to it, and
am anxious to get started.

Hope your holidays were as happy
joyous as ours.

Love

Kathy
