Dear Alice: We recd the newspaper articles that were stamped Milwaukee and assume they came from you. Thanks so much. Dad always enjoys the articles re Cal Farley ranch and likes to visit it enroute Friona. Berta Quick tells me that Redding is starting to ask for family pictures re centennial. Maybe some of you will be out this summer to discuss this - expect someone has family H.T. Miller.

No word from Margaret & Marv - assume on the road!

John, Rose Marie - couple from Hanover, Ger stopped for 30 mins this summer. Glad to see all of you anytime.

Fondly,
