Dear Il -
Send your pattern if you are
through with it. I ordered green & white
stripe seersucker. Can you get that wool material
in blue? What day will you come home?
Sat, Sun, Mon or when? Margaret sent Alice's shoes -
brown pumps with little leather bow. Wish we could
meet you in I. M. to shop but that is uncertain - don't
know when the banquet will be. Oakland went to
I. M. today - we were over last eve. Alta was down
