Marge says Come down for Easter - we'll probably be here!
Come any way!!

Friday P. M.

Hi -

Sending these letters - you should have read them.

were you all tired yesterday? Everyone here was. I didn't do anything all day - Dad slept 1 hr. in P. M. + Maune took a nap when he got home - we all went to bed at 10 o'clock last night. Sunshine again but cool.

I have run the washing through so that's out of the way and fixing macaroni & cheese - Hamburgers for supper + Bread Pudding ("like Grandma's") Had glorified rice last night.

Maurice + Janet + Edwin came for supper Wed. night. He is 52 today.

Wilbur Saville wrote to see if they could haul the old trees in the park to the west pasture. We had piled brush & broken branches from Medbury Park ^{south of barn} but trees will have to go out west over 2nd hill.

I don't know anymore than I did about going home but I think Richard will

~~go with us~~ Richard just said he doubted if he
had time - he has a Sat. job & extra time
at a nursing home in Maywood. He has
to be here on Thurs the 6th.

If we go by ourselves we will stop at
Oaklands & also Moines and I wrote
Jennette to go down with us - doubt it -

No word from John's -

Robin, cardinal, blackbird, flicker,
and starlings in back yard.

Nancy dressed up like a FAT man today
"Charlie Brown Day" at H.S. - she was a
sight! Pillow in back & pillow in front & Marge's
pants & shirt & tie ^{+ shoes} a black wig &
moustache & hat. Marge took her to
school. She took her own clothes to change
into.

Filip should have this crazy-cat to play
with.

Should have written to go on P. M. mail but
these letters came at noon and had had already
been out to the hardware. Marge will soon be
home but Marge is working overtime 2 hrs.
