July 11 - 74.

Dear Mary

I know I should have answered your nice letter sooner. But it sure was hot here in Chicago. Just got a break in the weather yesterday afternoon. So I just was taking it easy since I came back home. Rur's sister Elsie heard from C. H. A. So she goes for her Interview July 17 - 3 PM. I'll go with her as she gets so nervous. And she asked if I would go with her. It's downtown 22 Madison St. She is so happy. Caroline, John & Donald and John's Mother came over Tues. Eve. to let Lu see my apt. She sure did like it. John & Caroline will take his Mother back Sat. Evening after work.

John's father died recently. 2

Caroline has to work all day at Seavers in Oak Brook Sat. Donald will go back with Grandma Fredrick for the rest of the summer. Says he has to take care of Grandma since Grandpa is in heaven. Johnie got a job for the summer where John works. Doing real well. Larry is training now for Foot Ball. Has to have a lots of practice.

He is very good in sports. I was to the Foot Dr. Tues. He goes on his vacation July 13. So I had to make sure I had my feet taken care of.

3 Men died in my Building since I came home. Hope you have had a nice visit with Margaret and that she got a good rest while she was there with you.

But Tom^{er} don't know what
 to make of all the company.
 Hope all the 3 Grand Daughters
 get to visit with you this wk.
 coming up. Hope your feeling
 stronger. You will have a lot
 of help with the girls there.
 Nancy will be able to drive you
 when you want to go to town.
 Say hello to everyone for me
 and do take it easy in this hot
 weather. Love.

Grace.

P.S. Thanks again for the nice
 visit.
