What's Cooking Dearest,

What a job you have. There's your
chance to catch you a man. You know
when you find an interesting one just
accidentally stop the elevator, as didn't
you think that would work. Do you
think you will like running the eleva-
tor better or not. Which is the most
confining.

yes, I looked up Senack and finally
found it too. I got the most lovely
letter from the dear boy. In fact
my (the door bell rang and I haven't the
faintest idea what I was going to say.
Do you?) I laughed until I was al-
most sick. I will send it on to you.
Will wait until Sunday and if Morg-
aret is back she can read it. I
really have his goat about his
Aunt Emmy. Do you suppose
she likes at Kenneth is the reason

he asked me if I ever lived there. Oh
yes at your suggestion of P.S. junior
he thought we were calling him go.
and he is. what a laugh. The thinks
we know all about him. already.
What do you think of Fred being mar-
ried. I met Lou and Diana down town
last night and we had dinner to-
gether and then went to Grant Park
to concert. I took the letters along
and Lou brought hers. We nearly
died laughing. we have a haunt
decided they might even be colored
by the continual using of you
all. what do you think? I guess
I had better ask him. They are
back out if you ask me and do
you suppose he really gets in his
brants or is he just kidding
us along. I wonder if Fred is
Bills sisters husband. In Lou.
letter he asked for all of his

mail to be sent in case of B. &
I'll bet his wife doesn't know
about it. Well so much for that.

Did we have one hot humid
spell for a week. I swore I could
not stand another day of it. It turn-
ed cool Wed. evening which was
most welcome. I guess I am ready
for fall to really be here.

Dewey came back Saturday night
and Clyde got in Sunday morning.
He has decided not to go to school I
guess. His reason is now as I
can make out was he thought it
would defer him from the army
but found out it would make
no difference. Here I thought he
was going to make something of
himself. I don't believe I would
just go to school to avoid the draft.
The rest of them have to go why

shouldn't be.

Just talked to your Aunt M. and they haven't heard any thing since your sis' yet. I thought she would be in this morning. Sure is a long time for her to stay away from Jim. I still have no pleasant thoughts for him.

My Marvin is in a bad mood again. It really makes me feel bad to have him that way. They are working him to death. I only hope he can hold out. He works all day and goes to school at night. Says he has to steal time to write to anyone. They have gotten to be short mates. I guess I should be glad that I am remembered at all. I sent him and Ray a box of cookies a piece last week. Also sent Marvin my picture.

and a big fat letter. Maybe he
comes out of it. If you want
to get a happy go lucky letter
of course you have to write
to B. E.

We girls had a lot of fun last
night at Concert although we nearly
froze to death. It sprinkled off
and on all day and we each were
carrying an umbrella apiece. I
knew every one felt like killing
us but we do have to have our
fun. After it was all over and
we were going out we were so
cold Lou said Chase me. So of
course being me I did. Lou saw
Post 4 lonely soldiers and they
said what's the matter. Their answer
"I'm Cold". One said "Come here"
but we thought we would be

going home and we wondered
why we always had all the
luck when we are homeward
bound.

Maybe this isn't tiring you too
much and you don't have to find
somebody to read it for you
for as usual I am writing it
50 per.

Law, Diana and I are going
to the Army Show at Soldiers
Field Labor Day evening. They
say it is very good.

Well good Bye toots and
don't forget to write and
tell me all the dirt.

Lh

P.S. Sat afternoon. Margaret called this
morning. She got in last night. She doesn't
know what she is doing.

Dear friends,

Will try to ans. your letter this morning so dont be surprised if it sounds kind of batty because I feel kind of batty. My head feels like it had a hammer in it.

Had a little scrap in town last night and (as usual) I stuck my neck out to far and got a bottle hursted over my head.

Thure would like to see you girls and be with you all bet we could have some fun together in the big city.

you ask me where Senath is located, its a little one horse town located in Dunkling County on hwy 25. with about 1,086 people in it.

Say Leonta, did you ever live in or near Kennett? Kennett is about 13 miles north of Senath, County seat of Dunkling County.

Say what do you know about my Aunt Emmy? and how did you know

my name was J.

One of my hobbies is photography and I have several pictures of girls + boys, but had rather have pic. of girls. I have several pic. of ~~girls~~ but they belong to my mother and sister. I will send you girls one as soon as I get some more made. Dont let that keep you girls from sending me one though.

No, I have never been to Grant City.

Shure would like to come up and let you all show me the big city. May be coming up there in about 2 months if I don't go to the army.

would like for you all to come down here and let me show you the country. we could go places and do things, I have a car and the sky is the limit. If you like to dance, ride horses, go swimming, shows, etc. we could have lots of fun because I like those things myself.

Fred and his wife and kid just left for home. What! you didn't know he was married? yes, he's married and got a baby boy, about 2 years old.

where do you girls hail from? How
old are you? If it isn't any of my business
tell me so. married or single? It doesn't
make any dif. to me as long as you keep
wright.

I will send the army your
addresses soon as I hear from my
friends again.

your friend
Bill Emery Jr.

PS This letter doesn't look as
scent so hot but please excuse
for I don't feel so hot myself.

Please send me your pic. if you
have any in the next letter, and
be shure to write back.

B. E.

Will write all three next time,
seperate letters.

Good By + good luck
B. E.
